December 16, 2009

Councilors:

The Boston City Council's Committee on City and Neighborhood Services, to which was referred the following:

*Docket #1293 - Petition of EZ Ride, for a license to operate motor vehicles for the carriage of passengers for hire over certain streets in Boston.*

Finding that Committee on City and Neighborhood Services held a hearing on this matter on December 7, 2009.

Finding that the petitioner attended the hearing and submitted documentation explaining the proposed transportation service including a power point presentation.

Finding that the petitioner has met with the appropriate officials of the Boston Police Department and the Boston Transportation Department, to consult and review the particulars of the petition, including the traffic engineering and safety concerns.

Finding that the representatives of the Boston Police Department and the Boston Transportation Department attended the hearing and stated their strong support for the petition.

Having considered the same at the public hearing, I respectfully recommend: -

That the petition be granted and a license issued, on the following conditions, which, if not agreed to, or be fully implemented by the petitioner, will render the license void: -

A) *That the route shall be:*

As attached –

*The Boston Transportation Department has approved this route and stopping places.*

B) That the petitioner has obtained and will maintain the permission of all parties owning and operating the areas used for pick up and drop off of passengers; and

C) That the vehicles used:

- Shall not exceed 3 vehicles; and
- Shall not have a capacity exceeding 15 passengers; and

D) That EZ Ride Inc. shall provide handicapped access to their service as required; and

E) That these conditions be endorsed on the face of the license.
